SUYOG SHINDE

Pune, India | +91 7414901527 | suyogshinde74@gmail.com | LinkedIn | GitHub

SUMMARY

Enthusiastic and detail-oriented Computer Science and Engineering graduate seeking a Full Stack Python Developer role. Driven to apply strong programming skills in Python, Django, React, and SQL, along with web development and problem-solving abilities, to build reliable, efficient, and scalable applications that deliver real-world impact.

SKILLS

- **Programming Languages:** Python, JavaScript, Java, C++, SQL
- **Frontend Development:** HTML, CSS, React.js, JavaScript
- **Backend Development:** Python, Django
- **Database Management:** MySQL, MongoDB
- **Web Development:** REST APIs, Full-Stack Development
- **Tools & Technologies:** Git, GitHub, VS Code
- **AI & Machine Learning:** Machine Learning Fundamentals, Scikit-learn
- **Soft Skills:** Problem-solving, Teamwork, Communication, Time Management

PROJECTS

Student Management System — Python, Django, React.js, REST APIs, MySQL

- Developed a full-stack web application to manage student profiles, courses, attendance, and academic records.
- Built RESTful APIs using Django to perform CRUD operations and handle communication between the frontend and backend.
- Designed a responsive React.js interface for adding, updating, searching, and managing student information.
- Integrated MySQL for storing and managing student, course, attendance, and academic data efficiently.

Expense Tracker & Financial Analytics — Python, Django REST Framework, React.js, MySQL

- Developed a full-stack personal finance application with user authentication, expense and income tracking, category management, and monthly budget planning.
- Implemented REST APIs using Django REST Framework and JWT authentication for secure communication between the frontend and backend.
- Designed a responsive financial dashboard using React.js, HTML, CSS, and Recharts to visualize income, expenses, spending patterns, and budget progress.

Fire Reporting System — HTML, CSS, JavaScript, XAMPP (PHP & MySQL)

- Developed a web-based platform for reporting and managing fire incidents in real time.
- Designed a responsive user interface using HTML, CSS and JavaScript for seamless user experience.
- Implemented backend features with PHP and MySQL on XAMPP to store and retrieve incident reports securely.

PlantDoc – Plant Disease Detection App (Flutter & Machine Learning)

- Developed a mobile application capable of detecting plant diseases from leaf images using ML classification models.
- Built an intuitive and responsive UI in Flutter for smooth user interaction on Android devices.
- Integrated a trained machine learning model to identify multiple crop diseases and generate treatment suggestions.

EDUCATION

Bachelor of Technology in Computer Science & Engineering
Dnyanshree Institute of Engineering & Technology, Satara | CGPA: 6.5 | 2022 – 2025

Diploma in Computer Engineering
Abhaysinhraje Bhonsle Institute Of Technology, Satara| Percentage: 88% | 2019 – 2021

CERTIFICATIONS

- Data Science: R Programming Complete Diploma
- Introduction to Artificial Intelligence (AI) From IBM (Coursera)
- Java Programming: Solving Problems with Software From Duke University (Coursera)
- Introduction to Front-End Development From Meta (Coursera)

TRAINING

Full Stack Python Development
Technologies Used: Python | Django | React | HTML | CSS | JavaScript | SQL
Kiran Academy, Pune

- Gained hands-on experience in full-stack web development using Python, Django, React, and related web technologies.
- Worked on web development projects involving Python, SQL, HTML, CSS, JavaScript, and React.
- Developed strong debugging and problem-solving skills during project execution.
- Worked on real-world applications, improving coding efficiency, application development skills, and understanding of full-stack technologies.

INTERNSHIPS

- Web Development Internship |SBT Enterprise, Satara| 1 Month
- Android Developer Virtual Internship | EduSkills | 10 weeks
- Data Analytics Summer Internship | IBM SkillsBuild | 2 Month
- Data Engineering Virtual Internship | EduSkills | 10 weeks
